

2015-2018 United Thank Offering Memorial Trust Fund

The United Thank Offering (UTO) Memorial Trust Fund was established in 1982 as a way to ensure that every penny donated to UTO through the Ingathering would be granted. Earnings from investment of the trust fund are used to continue the work of UTO by providing for the expenses of the UTO Board and Staff. Earnings are also used to provide free resources to support the increase in participation in UTO.

Listed below are the donors and organizations who contributed \$202,586.03 to the UTO Memorial Trust to honor people and events in their lives or by remembering UTO in their wills from July 1, 2015 through June 15, 2018. A permanent book, with more information about each donation since the inception of the trust, is available online at www.unitedthankoffering.org and we give thanks for everyone who has contributed.
