

UTO GRANTS

Regular Cycle Grants

Have you imagined
starting a new ministry?

Does your existing
ministry need to take
a new direction?

United Thank Offering
grants are available
to fund projects for
one year.

The United Thank Offering has been empowering new ministry across the globe for more than 125 years. UTO grants can be used to start up and fund new ministries, or to help take existing ministries in new and exciting directions.

Applications are available yearly on the first Friday in September at episcopalchurch.org/uto.

The possibilities are nearly endless for what a UTO grant can help you do. Please be sure to review the criteria and focus on the grant application to see if your budding ministry is fundable.

Also, take a look at our list of past grants for an idea of what amounts we generally award and what projects we have previously funded. We want you to ask for what you need, but we also want to fund as many eligible requests as possible.

One application is accepted per diocese and per province of the Anglican Communion.

One additional application can be accepted from a diocese of The Episcopal Church for a companion/partnership grant.

PRO TIPS

- Use your imagination.
- Keep your eye on the UTO website and newsletter for webinars and helpful hints.
- Be sure to double-check the application criteria – there are some things we unfortunately cannot fund.
- Fill out your application early so you have time to submit it to your bishop.
- Contact the UTO staff to help you.
