Welcome!

We are thrilled to join together in gratitude with you for Vacation Bible Camp. This passport will help you remember and share everything you do this week.

Parents: Each day of Camp will have a different lesson, STEAM activity, craft, and water activity. This passport is filled with information on daily activities, as well as space for your child to share their thoughts. In the back of the passport, you will find information on how you can continue to practice gratitude throughout the year.

About the United Thank Offering

Through UTO, individuals are invited to embrace a spiritual discipline of gratitude. UTO encourages people to notice good things that happen each day, give thanks to God for those blessings, and make an offering for each blessing. UTO is entrusted to receive the offerings and to distribute the 100% of collections to support innovative mission and ministry throughout The Episcopal Church and Anglican Communion.
