FALL

Ingathering

Thanks for hosting UTO this fall in your congregation! Here are some helpful reminders for making your Ingathering a success.

Digital Ingathering Kit:

You'll find everything you need to promote UTO in our digital kit - documents are saved in Word when possible for easy editing to fit your context.

Online giving:

Please use and encourage use of the QR code to give online. We've included stickers you can attach to Blue Boxes to help with online giving or use the QR code to the left to download and print cards to use. These funds will be counted towards your congregations ingathering.

Fall Formation Kit:

We've created sample newsletter articles and bulletin announcements to accompany our fall formation resources that you can download from our main Fall Formation page. You can also print out additional materials if you need them.

Where and when to send collected funds:

we recommend waiting a week or two to ensure that all funds were collected before sending your Ingathering check. Please make it out to "UTO" and send it in the envelope provided in the box or to this address:
